Delivering excellent services, with the provider in mind

Essential Learning provides a web-based Learning Management System designed to meet the needs of organizations that provide **behavioral health, developmental disability, substance abuse and child welfare services**. Signing up with EL through MARFY entitles you to a 10% discount in services.

MARFY members are given the opportunity to sponsor the "ULB Plan" and to offer coverage to their employees. The ULB Plan provides employees and their families with professional legal services at significantly reduced costs and the opportunity to develop a long-lasting personal relationship with a local family law firm.

Food Source Plus is a food and supply purchasing services and management consulting company, which works exclusively with the non-profit, human service sector. By implementing practical purchasing procedures and systems with regard to food and supply expenditures, most Food Source Plus members realize 10% - 50% in annual savings.

The Unemployment Services Trust is a grantor trust created by and for nonprofit organizations. Rather than subsidizing the unemployment claims of for-profit companies, UST members pool their resources to pay only the claims incurred by their members. Members realize huge saving in unemployment insurance costs.

Human Services Benefits Company administers **The MARFY/CBH Worker's Compensation Self- Insurance Group**, which was formed for the benefit of social service agencies working with children and adults faced with physical, mental and/or emotional challenges. The SIG provides for an immediate reduction in premium of 5% or more, in addition to dividend refunds.
